# Thinking about a career? Think about two.

Two careers are as easy to get as one. Just take Army ROTC. You earn your degree and your Army commission at the same time. Now ROTC pays \$100 a month during your junior and senior years and all it requires is a few hours a week. Then you can serve as an Army officer.

You'll be making decisions, managing men, traveling. Who knows? You may stay in the Army. Or you may go for a civilian career.

You'll be in great shape for the competition. You'll have an education sharpened by your Army management experience. That combination can take you far—and fast. Find out all that ROTC can do for you.

Army ROTC. The more you look at it, the better it looks.

# WELCOME TO WESTERN

We are pleased to make our facilities available for conferences, meetings, and other activities which provide us with an opportunity to associate with alumni, friends, and others who are vitally interested in Western Kentucky University. These activities include cultural and educational programs and outstanding athletic events scheduled throughout the year. It is to you who are attending the home football games during the 1973 season that I extend a cordial welcome to the Western campus. We are grateful for your presence here because it demonstrates your interest in Western Kentucky University.

The students, faculty, and staff are genuinely proud of the University and are attempting to make it better and stronger each year. We recognize the great heritage that is ours, and we will constantly seek to protect and preserve the ideals on which Western was founded--"To be a live school and to impart to its students a burning zeal to do and to be something; to let the reputation of the school be sustained by real merit; and to lead the student to understand that a broad and liberal education is essential to the highest degree of success in any endeavor of life..." Stated by Western's first president, Dr. H. H. Cherry, these ideals continue to be a sustaining force in the life of Western.

On behalf of the departments and program areas that make up the seven colleges of the University and of all the individuals who are associated with Western as a part of the University community, I extend best wishes and invite you to return to the campus on frequent occasions. We invite you to call upon us if Western can be of help to you or to those in whom you have a personal interest.

# WESTERN KENTUCKY UNIVERSITY

Western Kentucky University was established by an act of the Legislature of Kentucky in 1906. Originally created for the sole purpose of training teachers for the elementary and secondary schools of Kentucky, Western has steadily increased the scope of its academic programs to meet the expanding needs of its students.

Designated as a university by the Kentucky General Assembly on February 6, 1966, Western now consists of seven colleges: the Bowling Green College of Business and Public Affairs, the College of Applied Arts and Health, the College of Education, the Ogden College of Science and Technology, the Potter College of Arts and Humanities, the Graduate College and the Community College.

The University now offers four four-year undergraduate degrees, two two-year undergraduate degrees and eleven graduate degrees, with course offerings in thirty-five different departments. Western's enrollment has been more than 11,000 students for the past three years. That figure does not include students in the Jones-Jaggers Laboratory School or students enrolled in extension classes conducted away from the campus.

Fifteen years ago the University's physical plant consisted of twenty major buildings on a campus of 128 acres, with a total value of \$10,000,000. The campus now is composed of 185 acres containing more than 60 buildings with a total value of more than \$94,000,000.

The Raymond Cravens Graduate Center and Library and Pearce-Ford Tower (a 27-story men's dormitory) went into use for the first time in 1971. The Ivan Wilson Center for Fine Arts, which is located on the site of the former football stadium, was opened last spring for the first time.

Plans are well underway for a commercially-developed area of married student housing and environmental sciences building.

Western's campus is recognized as one of the most beautiful in the nation and is crowned by a commanding hill from which Hilltopper athletic teams derive their nickname. It affords a view of the University from almost any approach to the city of Bowling Green, a community of approximately 42,000 people.

### The Athletic Director JOHN OLDHAM

Johnny Oldham became Western Kentucky University's director of athletics in 1971 after seven years of leading the Hilltoppers to some of their finest hours in sports as head basketball coach. He paced Western's basketballers to four regular season Ohio Valley Conference championships, four holiday tournament titles, five trips to national post-season tournaments, and an overall record of 146 wins against only 41 losses.

He climaxed his coaching stint at Western in 1971 by guiding the Hilltoppers to a 24-6 record and a third-place finish in the NCAA Tournament finals at Houston. He was named the OVC "Coach of the Year" for the fourth time and won the same honor for NCAA District 3, both by vote of his fellow coaches.

A Hilltopper basketball All-American in 1949, Oldham played two years of professional basketball with the Ft. Wayne Pistons of the NBA, then coached at Western's College High School before going to Tennessee Tech as head coach in 1955. He led the Eagles to at least a share of the OVC title three times, winning 118 and losing 83, giving him a career coaching total of 264 victories against just 124 losses, one of the finest records in the nation.

## THE HEAD COACH

**JIMMY FEIX**

After serving eleven years as offensive coach under Nick Denes, Jimmy Feix took the Hilltopper helm from his former boss in 1968. In five seasons he has compiled 7-2-1, 6-3-1, 8-1-1, 8-2-0, and 7-3-0 records, good for three second place finishes and two championships in the tough Ohio Valley Conference.

An outstanding player in his own right, Feix led Western to some of its greatest seasons ever (1949-1952). His playing career was climaxed with his selection as Western's first football Little All-American in 1952 after quarterbacking the Hilltoppers to a tie for the OVC title. He added a win in the Refrigerator Bowl to Western's wreath of laurels that year when he led the 'Toppers past Arkansas State to boost the school's season record to 9-1.

In the process, Feix earned for himself a trial with the New York Giants of the National Football League. As a pro, he was impressive in early drills and seemed ticketed to understudy then All-Pro Charley Conerly until a serious injury ended his career.

Feix still holds the Western pass completion percentage record with a mark of .631. In addition, he still owns four other Western records for passing and total offense. He held seventeen other individual records until they were broken by Johnny Vance in 1969.

Feix's teams have become known for an innovative offense that makes best use of available personnel, a rock-ribbed defense that ranks in the top 15 College Division teams in the nation against scoring over the past ten years, and a competitive spirit and zeal second to none.

# Hilltopper Hot Line

## MOREHEAD SHOOTS FOR SHARE OF OVC LEAD

The 1973 Ohio Valley Conference race makes today's Homecoming clash between Western and Morehead State a most vital game.

While Western leads the OVC with a perfect 4-0 record (6-0 overall), Morehead is one of only two teams that has suffered only one loss and, thus, is tied for second place. Both the Eagles and Murray State have 3-1 records. Morehead is 4-3 in all games.

A Morehead victory today would pull the Hilltoppers down into a tie for the lead. A Western win would pin at least two losses on every other team in the Conference except Murray, which hosts Eastern Kentucky this afternoon.

The Hilltoppers go into today's game leading the OVC in both team offense and team defense, the first time this season they have been No. 1 in both categories. Western has averaged 373 yards per game on the attack, while holding its opponents to only 213.5 yards per Saturday.

DON RUSSELL

DAVE SCHAEZTKE

Morehead is third in the league on offense (350.4 yards per game) and eighth in defense (374.2). Coach Roy Terry's Eagles lead the OVC in rushing offense with 227.7 yards per game, a big slice of it provided by Frank Jones. He has carried the ball for 96.2 yards per game.

Western leads the Conference in passing yardage, with 188.7 per contest.

Incidentally, Jones was last week's selection as OVC "Offensive Player of the Week" for his performance against Tennessee Tech, while Western defensive back Mik McCoy was named the league's "Defensive Player of the Week" for his work in Western's 35-0 win over Eastern.

Special guests for today's Homecoming celebration are the Hilltoppers of 1963, one of the finest football aggregations ever put together in the Commonwealth of Kentucky.

Led by All-Americans like half-back Jim Burt, end-linebacker John Mutchler and linebacker Dale Lindsey, the '63 'Toppers took the OVC title with a perfect 7-0 record posted an overall 10-0-1 mark after belting the Coast Guard Academy in the Tangerine Bowl at Orlando, Fla., 27-0.

Exactly 10 years ago this weekend, that band of Western footballers celebrated Homecoming by whacking Evansville, 54-14, in a game featuring Joe Baird's record-breaking 96-yard kickoff return for a touchdown.

Baird's record went by the boards in this season's opener, when tailback John Embree ran an Appalachian State kickoff back 99 yards for a six-pointer.

# After three hours in hard wooden seats, spilled mustard and a roaring crowd, recuperate in Monte Carlo.

A football stadium is a great place to spend a Saturday afternoon in autumn. But, after the game, you're ready for some peace and quiet, some comfort and some elegance.

That's why the Monte

Carlo is a great place to spend a Saturday *evening* in autumn.

Monte Carlo's radial-tuned suspension is designed to let you enjoy the advantages of its steel-belted radial ply tires.

The result is the kind of confident handling and comfortable ride you might expect from a fine personal luxury car.

Power disc/drum brakes and variable-ratio power steering are standard, of

course. Because it just wouldn't be a Monte Carlo without them.

When you're ready to leave the roaring crowd behind, get behind the wheel of a 1974 Monte Carlo by Chevrolet.

*Chevrolet. Building a better way to see the U.S.A.*

Every collegiate football coach was, at one time or another, the apple of his parents' eye. Here we have pictures of seven of the nation's leading coaches, taken when they were still knee-high to a linebacker. Can you match the pictures at the top of the page with the more recent ones at the bottom? Make your picks and then compare them with the answers below.

**ANSWERS**  
1. Ben Schwartzwalder  
2. Vince Dooley  
3. Darrell Royal  
4. Charles McClendon  
5. Joe Paterno  
6. Ben Martin  
7. Ara Parseghian

ARA PARSEGHIAN, Notre Dame CHARLES McCLENDON, LSU

JOE PATERNO, Penn State

DARRELL ROYAL, Texas

VINCE DOOLEY, Georgia

BEN SCHWARTZWALDER, Syracuse

BEN MARTIN, Air Force

DOWNING UNIVERSITY CENTER

Hey, fella--- easy on the  
elbow, will 'ya?

I'm tryin' to get over to  
Jerry's and pick up our carry-out  
order! O'Malley wants 4 J-Boys, and  
J.T. said not to forget the *Coca-Cola*  
and somebody gets a strawberry  
pie, with extra whipped cream...  
or was it a Champ sandwich  
with extra pickles ??.....

# Zenith introduces solid-state Chromacolor II

It took a whole new television system to bring you  
the best color TV in Zenith history.

With a new, more powerful 100% solid-state chassis,  
Zenith Power Sentry voltage regulator for added dependability,  
and an advanced Chromacolor picture tube.

You get the best color picture we've ever brought you.  
Solid-state Chromacolor II — built in the Zenith tradition  
of quality and dependability.

**ZENITH** SOLID STATE  
**CHROMACOLOR II**

At Zenith, the quality goes in before the name goes on.® Simulated TV pictures.
